

Established 1988, LRI Group is a leading independent investment services company based in Luxembourg. It provides asset managers and investors with three decades of experience in structuring and administration of traditional and alternative investment strategies.

In the context of the continuous development of our activities, we are currently looking for an

## Portfolio Manager Financial Assets (m/f)

### Your Tasks

- Management of investment funds and their associated risks.
- Ensuring that investment policies are in line with the fund policies in collaboration with external portfolio managers and advisors.
- Trading financial products in a timely manner with full accountability and transparency.
- Designing order flows for new funds with our fund consultants and relationship managers.
- Developing new processes within the fund management department.

### Your Profile

- Several years of professional experience in Portfolio Management.
- Academic background preferably in Finance, Economics or comparable professional education.
- Excellent knowledge in trading of securities and derivatives and the international stock market practices.
- Very good understanding of investment processes and investment strategies.
- Good knowledge of Bloomberg.
- Well organized, disciplined approach to work with attention to detail.
- Demonstrate the ability to prioritise demands in a high volume.
- Strong knowledge of Microsoft Office products; experience in Xentis is considered a plus.
- Fluency in English and German is mandatory.

### Sounds like an Opportunity for you?

LRI Group offers you an excellent working atmosphere in an expanding international company with an informal company culture.
