LRI Invest strengthens its International Business Development Team

Ernest Ouwerkerk will strengthen the international team of LRI Invest S.A., Luxembourg, with effect from July 2013.

The 44-year-old will assume the position of Senior Manager International Business Development in Luxembourg. In that role he will support Dr. Angelina Andonova with the acquisition and relationship management of institutional clients outside the DACH region. With this hire, LRI Invest continues its expansion and growth strategy in the non-German speaking markets.

Mr. Ouwerkerk has deep expertise in Fund Accounting for Alternative Investment Funds and possesses many years experience within and outside Europe. He brings strong language skills to the position; besides Dutch as mother tongue he speaks fluent English and German and also good Spanish.

Mr. Ouwerkerk last held the position of Manager Business Development with Amicorp Fund Services in Zurich.
