LRI Invest S.A. announces new business development sales manager for D-A-CH region

Jürgen Wiegand joined LRI's Business Development team by January 01, 2016. He will be responsible for business development in German speaking countries with a focus on alternative investments. Prior to joining LRI Invest, Jürgen spent more than eight years with Brown Brothers Harriman Luxembourg in a product development role for Alternative Investment Funds. Before that he worked several years as a Fund-of-Funds Manager for Fortis Investments and as a Private Banker for Banque Générale du Luxembourg.

Jürgen holds an MSc in Real Estate from International Real Estate Business School (IREBS). He is a Chartered Surveyor member of RICS and a Chartered Alternative Investment Analyst (CAIA). Jürgen is fluent in German and English and he speaks French.

Markus Gierke, Managing Director, commented, "We are delighted to welcome Jürgen Wiegand to LRI Invest as we will strongly benefit from his skills in product development and his broad knowledge in alternative investment funds."
