LRI Group wins ACQ5 awards for Investment Firm and Alternative Investment Fund Manager of the Year

LRI Group, the leading independent investment services company, has been named Investment Firm of the Year and Alternative Investment Fund Manager of the Year at the 2018 ACQ5 Hedge Fund Awards.

ACQ5 magazine's annual Hedge Fund Industry Awards honour the hedge funds, funds of hedge funds, investment consultants, endowments, foundations, family offices, corporate funds, public funds, sovereign funds, advisory services and rising stars that stood out for their performance, innovation, achievements and contributions to the industry in the past year.

Michael Sanders, Managing Director of LRI Invest S.A. commented:

“We’ve had a great start to 2018 adding new investment strategies and we have a strong pipeline for the remainder of the year. The uncertainty of today’s fast changing market landscape makes this year more important than ever.”

“To be recognised as a market leader in these areas for our performance and quality further highlights our commitment to the hedge fund sector, and our drive to provide innovative solutions to our clients.”

In 2017, LRI Group added six new managers to its UCITS Platform and had EUR 12bn Assets under Management, despite on-going complexities facing the fund management industry.

The ACQ5 Hedge Fund Awards, now in their 12th year, celebrate achievement, innovation and brilliance in the hedge fund sector. The awards represent an endorsement of outstanding work and recognise smaller market participants alongside larger organisations who are adapting international models to unique geographies.
